### THE SHREDSUPPLY DIFFERENCE

ShredSupply is a truck dealer, not a broker. We own 90% of our inventory. Since we are a dealer we have hands-on experience with each truck and are able to offer more with every purchase. This can include extended chassis warranties, equipment upgrades, bundled security containers, and even comprehensive equipment training. Whatever your equipment need, it is our top priority to work with you every stage of the way to achieve the best solution.
