WHY CHOOSE US

INDUSTRY EXPERTS

Our team's collective experience working with shredding trucks is second-to-none.

DEALER, NOT A BROKER

As a truck dealer, we are able to offer you more with every purchase.

MULTIPLE LOCATIONS

With locations in WA and TX, we can provide service you need at a location relative to you.

HONESTY & INTEGRITY

We'll be upfront with you every step of the way. You can count on that.

THE SHREDSUPPLY DIFFERENCE

ShredSupply is a truck dealer, not a broker. We own 90% of our inventory. Since we are a dealer we have hands-on-experience with each truck and are able to offer more with every purchase. This can include extended chassis warranties, equipment upgrades, bundled security containers, and even comprehensive equipment training. Whatever your equipment need, it is our top priority to work with you every stage of the way to achieve the best solution.
